ODNR Watercraft Inspections

ODNR will be doing boat safety checks at a date to be determined.

Anyone that is interested, please stop by the Marina office to sign up.

Riverside Restrooms

For those of you that may not know, we are going to have a new restroom/shower facility that will be located next to our pool at our Riverside Marina. It is slated to be open by early to mid summer and will now feature air conditioning along with some other additional improvements. It will be key fob accessed as before. In the meantime, the existing facilities will be available but due to construction, the front entrances are the ONLY access to be used.

Boat Detailing

Let us help you get your boat ready for the upcoming season with our washing/waxing, painting and detailing services. Please contact the marina office for pricing and to set up your appointments for these services.

Key Fobs

The fobs you have are already active, you don't need to call the Office with any numbers.

If you have LOST one you may purchase a replacement for $10.00 at the office, please make sure that you have the numbers of the ones you DO HAVE. ***If you are not returning please return 2 key fobs to the office.***

Any new dockers that have not received your key fobs, please stop in our office to sign and pick them up.

If you need immediate assistance after hours, please call Whittguard Security Co. 440-288-7233 for security issues.

Or email us through our web site Spitzermarinas.com, for operational issues, and it will be forwarded to our staff immediately.
