Due to higher EPA standards, any boats that require **ANY** bottom scraping, sanding, painting or mechanical work, **MUST COVER THEIR ENTIRE WORK AREA** around and under the boat (protecting other boats as well) and must dispose of this cover properly when finished. **NO CHEMICALS OR ANY TYPE OF RESIDUE IS PERMITTED TO BE ON THE GROUND AT ANY TIME.** This includes but is not limited to antifreeze, oil, fuel, paint, cleaners etc..... Any cleanup that has to be done by the Marina will be at the boat owners' expense. Only environmentally safe products are to be used in the marina.

***ALL LIQUIDS** from de-winterizing must be captured and disposed of properly.

***All trash** is to be disposed of in the dumpsters located throughout the Marina.

***All oil products** must be disposed of in our oil tank located adjacent to the Rack Storage Building.

***All shrink wrapping removed by the boat owner must have the strapping removed, bundled and placed in the container - without strapping - located at the East end of the boat storage area.**
