Spring Preparation

There will be no rack service until April 15th, 2020, and/or on a limited Mon. thru Fri. basis until May 1st.

PLEASE CALL AHEAD!

All boats that were winter stored on the floor in the Rack Storage Building
Will be removed the first week in April to open up our Rack Storage Operation.

If your boat is already in one of our racks

You must call ahead to have it removed for spring preparation.

All NEW Rack customers must call ahead to make arrangements to be positioned

Either Outside for spring work or into our Rack building.

No Rack Storage Boat (whether a new Customer or existing)

Will be loaded to or unloaded from a trailer with our negative forklift. This must be done at one of the area ramps. If you are unable to do so, you may have this service performed with our marine travel-lift for a fee. Please see the Riverside Marina Office to schedule this service. * 440-288-1234 * 800-321-3625 *

Please do not use the bulkheads for loading/ off-loading or for getting On/Off the docks.....

PLEASE Use the RAMPS!!!!

Requested In/Out service for times other than listed above

Can be performed the night before or the morning after.

When bringing your boat back for “put away” please dock as close to forklift station as possible.

Laminated “Put In” / “Leave Out” signs

Will be provided for those boats **coming back to the Marina after rack hours.**

All work to rack storage boats must be done outside of the building.

Outside work racks have been provided for you. Please call to have your boat put on one

And inform the Rack Operator of the time that you will be there to work on your boat.

The Operator will try to accommodate you as close to that time frame as possible.

Unfortunately, there can not be a work rack for every boat stored in the Rack Building.

Please call one of the **RACK** numbers to schedule your boat for Spring Preparation, first time customer’s setup, and all Summer In/Out services. If one of our Rack Operators does not answer, please **leave a detailed message** on the answering machine *with your name, phone number, boat information & service required*. You may also **stop down** at the Marina Rack Office and contact a Rack Operator directly.

If you have questions, other than day to day services,

Please call the Riverside Marina Office.

800-321-3625 or 440-288-1234

Any boats that are not returning for the 2020 Summer

MUST be removed from the Marina property by May 1, 2020.

Assignment of Rack Storage spaces will be at the discretion of Marina Management based on length, beam & height of your boat.

***** Overnight dockage for Rack Stored Boats *****

The small docks located directly in front of the Rack building on G Dock are to be used for **TEMPORARY STAGING ONLY**.

Overnight dockage will be on the 40 foot docks on G Dock

If you would like to dock in any other open dock in the Marina you can do so for \$10.00/night.

Please contact the Marina Office for what docks are available.

Prior to having your boat put away in Rack Storage you need to :

*** All boats *must have* speedometer pickups & trim tabs UP, Canvas & antennas DOWN.**

Please note: Any that are not placed in the proper position,

WILL NOT be repaired by Marina if damaged by Marina Operators.

NO full gas tanks are permitted in the Racks.

Any dripping of any substance from your boat will be at the liability of the boat owner.

Reasonable care will be taken when moving boats in & out of the racks. Any bottom scratches resulting from the sliding of the boat during this process *is considered normal wear,*

And is not the liability of the Marina.
