

Spitzer

Riverside/Rack Storage

Marina

Ohio's First Clean Marina!
Help us to keep it that way!!

While the CDC has been making changes periodically with COVID protocols, we would ask that you follow the current social distancing guidelines with our employees and boating neighbors and you are still required to wear a mask while entering our office. Most daily business with our office can be done over the phone or email (i.e. launch, payments and contracts).

2021 Dockage

We currently only have a few choice docks available for anyone who has not renewed from 2020 or winter stored with us the past year but did not dock with us last season. Please give us a call to see what is still open, we will be adding additional docks in the future to accommodate additional boats. If you have not renewed your rack space we may not have any room for you based on new sales. We have already cleaned up and added gravel to the "G" dock area (please note new access will be off of the main road NOT next to the travel lift). Most of the debris and derelict boats will be removed prior to the season start, new pool furniture has been ordered and new lighting will be put in along "E" dock. Dock maintenance is being done now, please let us know if there is an issue that you need addressed.

Winter Storage & Spring Launch

If you were winter stored with us for 2020/2021 please find enclosed our 2021 launch form.

***** If you ARE NOT docking at the Riverside Marina for the 2021 season:*****

You must be on the launch schedule by May 1, 2021 and launched by June 1, 2021

While your winter contract ends May 1, 2021, we are giving you 4 weeks of extra time to launch without incurring additional charges.

All boats that DO NOT have a current contract (SUMMER 2021) at the Spitzer Riverside Marina,

WILL BE CHARGED \$10.00 A DAY AFTER JUNE 1st UNTIL LAUNCHED.

ALL BOATS THAT DO NOT LEAVE THE STAGING DOCKS ON THE DAY OF THEIR LAUNCH

WILL BE CHARGED \$20.00/DAY DOCKAGE FEES

All boats that winter stored in 2020/2021 with us and have a cradle or trailer will have them stored free for this summer.

Please make sure your name and OH# are on them!

Misc. Items on Boardwalk/Quiet Hours/Parking

We would ask that you keep items that are placed on the boardwalk to a minimum and to put away what you can when not using them.

Quiet hours are from 11p.m. – 6a.m. and ask that during this time you keep your noise to a minimum (radios, loud talking, etc.)

Parking on E & F dock is limited so please have your customers (charter boats) or large gatherings (friends) park on the opposite side of docks to open up spaces. Thank you for your understanding and compliance.

New Customers

Please stop into the office during normal office hours to pick up your key fobs that will access the restroom/showers and swimming pool. Also please make sure that we have your insurance information and OH registration on file.

Rockin On The River

Rockin on The River is set to resume concerts for 2021 beginning on May 28th. Please go to rockinontheriver.com or Rockin on the River Facebook page to view this years concert schedule.

**If you need immediate assistance after hours, please call
Whitguard Security Co. 440-288-7233 for security issues.**

Or email us through our web site Spitzermarinas.com, for operational issues, and it will be forwarded to our staff immediately.
