Due to higher EPA standards, any boats that require ANY bottom scraping, sanding or mechanical work, **MUST COVER THEIR ENTIRE WORK AREA** around and under the boat (protecting other boats well) and must dispose of this cover properly when finished. **NO CHEMICALS OR ANY TYPE OF RESIDUE IS PERMITTED TO BE ON THE GROUND AT ANY TIME.** This includes but is not limited to antifreeze, oil, fuel, paint, cleaners etc..... **Any cleanup that must be done by the Marina will be at the boat owners' expense. Only environmentally safe products are to be used in the Marina.**

- **ALL LIQUIDS** from winterizing/de-winterizing must be captured and disposed of properly.
- **ALL TRASH** is to be disposed of in the dumpsters located in the Marina.
- **ALL OIL PRODUCTS** must be disposed of in our oil tank located adjacent to the Rack Storage Building.
