2023 Dockage

We currently only have a few choice docks available for anyone who has not renewed from 2022 or winter stored with us the past year but did not dock with us last season. Take advantage of use of our pool, no interest payments and discounted winter storage and services. Please give us a call to see what is still open, we will be adding additional docks in the future to accommodate additional boats. If you have not renewed your rack space we may not have any room for you based on new sales. Please see enclosed referral form to receive discount on docks.

Marina Updates

- We will be washing and sealing the boardwalk prior to the season starting, so if you left anything (hoses, lines, dock boxes) on the docks please remove immediately. If we have to remove anything we will not be responsible for lost or broken items.
- If anyone is interested in future housing at Harborwalk, there will be (4) single units and a (8) attached units that are going to be built this year. Please stop in our marina office to pick up some additional information.
- We also will be installing new steps on the 25' docks due to low water concerns and looking into some bird deterrents in the rack building.
 - Dock boxes must be no longer than 4 ½ ft. tall, 4 ½ ft. wide and 3 ft. deep.
- The Pool is scheduled to open on Friday May 26, 2023. Hours are 9am to 9 pm. Pool will close September 5, 2023

Misc. Items on Boardwalk/Quiet Hours/Parking

We would ask that you keep items that are placed on the boardwalk to a minimum and to put away what you can when not using them.

Quiet hours are from 11p.m. – 6a.m. and ask that during this time you keep your noise to a minimum (radios, loud talking, etc.)

Parking on E & F dock is limited so please have your customers (charter boats) or large gatherings (friends) park on the opposite side of docks to open up spaces. Thank you for your understanding and compliance.

New Customers

Please stop into the office during normal office hours to pick up your key fobs that will access the restroom/showers and swimming pool. Also please make sure that we have your insurance information and OH registration on file.
