We currently only have a few choice docks available for anyone who has not renewed from 2025 or winter stored with us the past year but did not dock with us last season. Take advantage of use of our pool, no interest payments and discounted winter storage and services. Please give us a call to see what is still open, we will be adding additional docks in the future to accommodate additional boats. If you have not renewed your rack space we may not have any room for you based on new sales.

Misc. Items on Boardwalk/Quiet Hours/Parking

We would ask that you keep items that are placed on the boardwalk to a minimum and to put away what you can when not using them.

Quiet hours are from 11p.m. – 6a.m. and ask that during this time you keep your noise to a minimum (radios, loud talking, etc.)

Parking on E & F dock is limited so please have your customers (charter boats) or large gatherings (friends) park on the opposite side of docks to open up spaces. Thank you for your understanding and compliance.

New Customers

Please stop into the office during normal office hours to pick up your key fobs that will access the restroom/showers and swimming pool. Also please make sure that we have your insurance information and OH registration on file.
