2027 Rack services will start May 1 **8:00am -3:45pm Monday-Sunday**

8am – 7:45pm services will not start until June 18th

Please DO NOT use the bulkheads for loading/unloading or for getting on/off the docks
PLEASE USE THE RAMPS!!!

*All Boats that are not staying for 2026/2027 winter storage must be removed prior to November 1, 2026.

*Access to your rack stored boat will be restricted between November 1, 2026 and May 1, 2027.

*Any misc. items not required for storage of your vessel should be removed prior to winter storage.

If you want to remain in the water to fish after we have moved the boats inside for winter storage, and closed the rack operations for the winter, you will only be permitted to bring your boat back for outside winter storage

NO BOATS WILL BE PUT BACK IN THE RACK BUILDING ONCE IT IS CLOSED FOR THE WINTER

*NO rack storage boat (whether a new or existing customer) will be loaded to or unloaded from a trailer with our negative forklift. Please use one of the three water ramps located in Lorain for this purpose

If you are unable to do so, you may have this service done by our Marine Travel Lift for a fee.
Please contact Marina Office for rates.

*ALL WORK to racked boats must be done outside the building, on the outside work racks that have been provided for your use.

*All Boats must be winterized (mechanical and/or winter covering) by November 1, 2026 for winter storage

If performing winterization on your own boat, *You must fill out* one of our Boat Owners Service forms in the Marina Office and follow our specific rules.

*All Boats must have their out-drives bagged after winterization for the winter months. If this is not done, the Marina will have this service performed at the BOAT OWNERS EXPENSE.

Please DO NOT TOP OFF YOUR FUEL TANKS for storage.
Allow at least 10% of your fuel capacity for expansion in the tank.
ANY dripping of ANY substance from your boat will be at the liability of the boat owner.

*All Boats must have speedometer pickups and trim tabs UP and their canvas and antennas DOWN prior to rack storage.

* When bringing your boat back to be put away, please back into main haul/launch slip if available.
  If main haul/launch slip is not open, please park as close to main slip as possible and bow in.
  * Do not park your vehicle close to the main haul/launch slip!!!

*All Rack Contracts must be an ANNUAL PACKAGE that includes winter storage.

- ALL BOATS that have Biminis or tops that can come down WILL BE REQUIRED to put them down.
